

# Postdoc Survival Guide

March 8, 2018

## 1 Before arriving

### 1.1 Documents and copies

- Passport: original and copy,
- Visa: original and copy,
- ...

## 2 First visit to Immigration

### 2.1 Things to do before the first visit

You will need  $X$  front portrait photos and  $Y$  side portrait photos in the official format. You should also make any copies of documents you do not have yet.

### 2.2 Documents needed

- Document photos,
- Fill out and print online form (*add link*),
- Fill out and print the template `expedicion-de-documento-migratorio.tex` (found in the Document templates folder),
- Passport: original and copy,
- ...

If you do not yet know where you will stay permanently, use whichever address you are currently staying at. You should change it whenever you move.

## 3 Useful document to keep copies of
